

## Annual travel plans

### Why travellers prefer Blue Cross®?

Did you know that our Annual Plan pays for itself after the second trip? It also covers all family members, whether they travel together or not.

It's ideal for anyone travelling more than once within a 12-month period. Our Annual Plan covers an unlimited number of trips up to the chosen maximum trip duration.

### Benefits for Blue Cross members.

Why do experienced travellers prefer Blue Cross? Travellers with an Annual Blue Cross travel insurance plan benefit from preferential rates and discounts for long stays - perfect for snowbirds!

- Preferred rates for travellers aged 55+ who are travelling more than 32 days
- Discounts for travel companions
- Discounts for grandchildren

### Included with the purchase of travel insurance:

#### Flight Delay Service

Included at no extra cost, Flight Delay Service provides you with a range of benefits to relieve the stress of traveling to your destination.

If your flight is delayed:

- **3 hours or more:** You'll have complimentary access to an airport lounge. If no lounge is available, or if it's overbooked, you'll receive \$40 compensation per person.
- **6 hours or more:** You'll have access to a hotel room and \$50 allowance per person. If no hotel room is available, you'll receive compensation of \$250 per travel insurance contract.
